### Surveys

- We will be sending surveys, please make sure to do your survey if you have not
- 2022/23 survey comparison

### Discussion Topic

- Strength based approach to mentoring – We always want to look for the positives in our youth. On our log sheet our last box is Highlights to share.
- What have you learned about your mentee?
  - Interests, talents, aspirations?
  - How they spend their time?
  - What kinds of things they like to do with you?

Share a strength your mentee has and how have you encouraged it?
